What is the proper usage of the phrase "due diligence"?

"Due diligence" is a legal term to describe when one has exercised an appropriate level of caution or investigation prior to acting or making a decision. To "do due diligence" is an attempt to use the legal term in a grammatically inappropriate way.

Product Due Diligence - accvm.ca

Some product due diligence processes did not include consideration of what should be communicated to supervisors and registered representatives to assist them in understanding the products reviewed and determining whether they were suitable for clients. The processes left it to the supervisors and registered representatives to educate themselves, having only the knowledge that the product.
