Actually, commercial/industrial renovations are very similar to residential in that both require demolition and rebuilding on some level. However, for commercial/industrial property the process has many more steps and layers because codes for public-accessibility are much more extensive. Often this adds to the cost of planned changes not only in building expenses, but in lost revenues while

Sacral Neuromodulation Systems - Interstim | Medtronic

The larger size of the InterStim neurostimulator over that of the InterStim II neurostimulator model 3058 allows for a larger battery with increased capacity. The InterStim neurostimulator is intended for patients who can accommodate a larger neurostimulator and will benefit from the use of a longer-lasting battery for their symptom control.
