It is time to rethink the problem, and a good place to start is with the "Myth of Mental Illness"-before the death of the mental health system is upon us. Read more 3 people found this helpful

#### **The Myth of Mental Illness - Wikipedia**

The Myth of Mental Illness: Foundations of a Theory of Personal Conduct is a 1961 book by the psychiatrist Thomas Szasz, in which the author criticizes psychiatry and argues against the concept of mental illness.

#### **Myths About Mental Illness - CMHA National**

Founded in 1918, The Canadian Mental Health Association (CMHA) is a national charity that helps maintain and improve mental health for all Canadians. As the nation-wide leader and champion for mental health, CMHA helps people access the community resources they need to build resilience and support recovery from mental illness.

#### **Mental Health Myths and Facts | MentalHealth.gov**

Myth: Children don't experience mental health problems. Fact: Even very young children may show early warning signs of mental health concerns. These mental health problems are often clinically diagnosable, and can be a product of the interaction of biological, psychological, and social factors.

#### **Myth of mental illness 50 years later by Szasz**

In my essay *The myth of mental illness*, published in 1960, and in my book of the same title which appeared a year later, I stated my aim forthrightly: to challenge the medical character of the concept of mental illness and to reject the

#### **The Myth of Mental Illness by Thomas Szasz - Psychology**

Sustained adherence to the myth of mental illness allows people to avoid facing this problem, believing that mental health, conceived as the absence of mental illness, automatically insures the making of right and safe choices in one's conduct of life. But the facts are all the other way. It is the making of good choices in life that others regard, retrospectively, as good mental health! The

#### **The Myth of Violence and Mental Illness - CMHA Durham**

The Myth of Violence and Mental Illness. In today's media reports about mental illness, there is a tendency to emphasize a supposed link between violence and mental illness. News stories regularly suggest that there is a strong connection between mental illness and crime. But the majority of people who are violent do not suffer from

mental illnesses. In fact, people with a mental illness are
