...

Part I of this course is the beginning of a two-year LGO leadership journey. The LGO leadership curriculum is hands-on experience that blends theory and practice. The entire leadership curriculum is integrated and woven into the fabric of the entire two year program. The design is based on the principles of first reflecting on prior leadership experiences and then applying lessons learned to further develop your leadership capabilities. The summer session provides a grounding in leadership **Organizational Change Management Process.pdf |**

Project portfolio management is part of change management ...

Change is always multi-layered; when we change processes, product specifications or implementation methods of a service, we also change the way our staff thinks. Change is one of the most challenging and risky elements for an organization.
