Americans young and old took to the streets of US cities Saturday to say "Families Belong Together" nearly two months after the Trump administration implemented its "zero tolerance" policy toward

Net migration rate - Wikipedia

The net migration rate is the difference between the number of immigrants (people coming into an area) and the number of emigrants (people leaving an area) throughout the year. When the number of immigrants is larger than the number of emigrants, a positive net migration rate occurs. A positive net migration rates indicates that there are more people entering than leaving an area. When more
